# PRESIDENT'S REPORT

*Len Cook*

Unit 283 was the host venue for the Vimy Ridge/Americas Cup English Billiards Tournaments from May 23<sup>rd</sup> to the 29<sup>th</sup>. I had the pleasure of witnessing some of the play and if you were also able to see some of the matches you will agree that the play was superb. If you were unable to see any of the action, you missed an incredible display of billiard playing. We were fortunate to be able to host such an event and I salute all players for their skills and professionalism. Congratulations to Jon Miller and his Committee for their hard work.

Here it is, June already. I would like to thank the Over 55 & Retired Club for, once again, tending to our Flower Beds this year. I would also like to thank them for the hanging baskets that we have on our deck. They spruce up the deck quite nicely.

The deck is now open and we will be having summer BBQ's and drink specials for the deck only. Watch for posters for upcoming events or specials.

I will be attending the Selkirk, Unit 151, on June 6<sup>th</sup> to celebrate the 175<sup>th</sup> Anniversary of our Association, the 71<sup>st</sup> Anniversary of D-Day and the 84<sup>th</sup> Anniversary of Selkirk Unit 151. On June 7<sup>th</sup> I, along with Past-President Hayden Kent, will be attending the Annual Veteran's Dinner at Charleswood Legion Branch 100. I look forward to representing our Unit at these important functions.

On May 1st and 2nd I attended the Provincial Convention. There were some good resolutions passed including a change to allow an Affiliate Member to run for Executive or as a delegate after 12 months instead of twenty-four. I am hoping that this will entice more Members to become active in the Unit. I want to congratulate Gord Kent in his re-election as Command 1st Vice-President, Sheldon Clupp on his re-election as Command Sports Officer and Rae Roberts on being elected as the Command Service Officer. Good luck to you all.

On Sunday May 17th I attended Unit #1 for the Memorial Service of Peggy Merrick. Comrade Merrick was a long serving Member of Unit #1, a past Provincial Command Executive Member and a Life Member of the Association. It was an honor for me to do the Association Service and honor her memory.

On the May long week-end we held our Western Days. This turned out to be a great success and I thank all Members who took part in the week-end. I want to thank Susan Paggett and Gord Kent for all the effort they put in to make the week-end a success. I was on the deck with Gord doing the barbequing and, although the weather did not co-operate, we managed to cook up burgers and smokies during the afternoon and a steak dinner on Monday evening. Thanks again for your help.

Our quiet months of July and August are coming up. For our cottage people, I hope you all get great weather for the summer and hope that we can all enjoy the outdoors. Please take time to come in and enjoy the Unit as well. I would like to remind everyone of the Unit Anniversary coming up in July. The date this year will be July 11<sup>th</sup> and I would like to see a full house to help us honor the members who do so much, as volunteers, to assist in getting things done in the Unit. I am looking for nominations for Member of the Year and Sports Person of the Year so if you have any suggestions please see me or any Member of the Executive about them.

I wish all Dad's a Happy Father's Day on the 21<sup>st</sup>. Enjoy your day.

A reminder to all who have an article for the Newsletter that the next issue is for 2 months (July & August) so make your submissions accordingly.

# OVER 55 & RETIRED

*Marg Rixen*

At our May General Meeting, we had 95 members in attendance, and thoroughly enjoyed a presentation by Adele Spence, Support Services Co-ordinator, at the St. James Assiniboia Senior Center and Cory Guest, Wpg. Firefighters Education co-ordinator, who gave a presentation on ERIK- Emergency Response Information Kit. It was very informative and we will have him return next Fall. A motion was approved to donate a sum of money to the Sunshine Fund, so needy children can go to camp.

We hosted our Visitation Day last Tuesday and had visitors from Charleswood Unit #100, Rockwood #303, #1 ANAF, and several of our own members, with a total of 120. Dancing was enjoyed with the Music man, Jessie James. A lunch was served and everyone enjoyed socializing with each other. Thank you to Judy Reed and her helpers, for a job well done.

Thank you to Ed Mazur and his helpers, for planting the flowers at the Unit. We need volunteers to help water them over the summer. Please call me if you are able to help. It will really be appreciated. 204-837-6467, even if it is only one day a week. We purchased flower baskets for the Unit deck, and they look lovely. The staff will keep them watered. Summer is fast arising, so we only have one more meeting until September. Golf Season has begun every Thursday morning at Blumberg Golf Course. Enjoy your summer.

# WAYS & MEANS

*Bill Sadler*

It is hard to believe June is here already. We have been so busy the months are just flying by and at the end of this month, half a year has gone.

There has been a lot of excitement around the club and a lot of members wanting to sign up for volunteering or just saying if “you ever need me to help just call”.

I personally would like to thank all the volunteers for helping with all our fund raising efforts. Without your help our fund raising efforts would not be possible.

The sales of tickets on the meat draws, 50/50 draws and cake table sales continue to do well.

For Western Days this year we tried something new. It was a barbecue hamper draw. The hamper included everything that might be needed for a good barbecue which included groceries, T-bone steaks, smokies and potatoes, but no barbecue.

I would like to thank Terry Murray and her crew which included Wally and Gerri Hamsey for stapling the tickets together then folding each ticket ready for the drum. To all the ticket sellers I just wanted to say a special thank you. This project has proved to be one of our best efforts. I have never seen that many tickets in the drum. If you keep selling like this we will need a bigger drum.

Special thanks must also go out to all our ticket buyers.

With the summer months approaching many of our volunteer will be heading out to their cabins and that means we will be looking for more volunteers. If you should like to join the fun and excitement please contact my co-chair Terry Murray or Barb Sadler.

## **Proud to be a Member of #283 ANAF**

On Monday May 18, 2015 I had the pleasure of attending the Monday Western Day events. The well planned events was put on by Susan Paggett of the social committee and her volunteers.

The afternoon began with a mini meat draw with six volunteers, followed by donkey races, using twelve volunteers for each race. In total of forty eight volunteer for the donkey races.

While this was going on there were volunteer Executive Members braving the north wind barbecuing and getting the steak supper ready.

A real good dance band came on at 4:30 and was still playing when I had to leave at 8:00pm.

During the 7:30 break, draws were made for the hamper and the three silent auction prizes.

My main reason for this writing, I wanted you to know where my joy and pleasure came from. My pleasure came from seeing the number of people who were volunteering and having a lot of fun and laughs while doing their volunteer jobs. All those members worked together for the betterment of their club.

## SENIOR SNOOKER

*Dunc Manson*

The 2014-15 Senior Snooker season officially ended with our annual meeting on May 13th. 24 members were in attendance, less than half of our membership. While disappointing I appreciate everyone who showed up. Len Cook was in attendance and presented our financial statement to the group. Since he is president of 283 he is stepping down from duties in our league and Alan Jones was elected secretary-treasurer. The chair and vice chair were elected by acclamation ( yours truly and George Bonnyfoy ). Thanks to all the members (I think!).

I hope everyone will have a great summer and we'll see you next season. Watch for the notice for the sports sign-up in August. It will be in an upcoming newsletter.

Well the sun is here and GOLF has started. I know this as my nephew just got a hole in one and I have heard about this numerous times!!! We as a group have been keeping ourselves busy with other upcoming fundraising efforts besides our own such as Prostate Ride for Dad and Breast Cancer Ride. It seems no matter the motto " Shoulder to Shoulder", " Brothers Forever" etc, when it is time to help we are all on the same page. To all ANAVET and Tri Service Veteran Association Members **Take a bow and a big round of applause.**

Our Tuesday meat and bake draws have been going very well thanks to all of the support. To date the Tri Service Military Veterans Association of Canadian 1MB has donated \$7,884.00. The following groups were recipients of these donations and have shown us lots of appreciation and thanks - Military Family Resource Center Winnipeg, Courageous Companions Manitoba (service dogs), Veterans Emergency Transition Services Manitoba and ANAVETS #283.

## HEALTH AND WELFARE

The original reason for fluoridating water (to prevent cavities) is no longer valid. According to research from around the world swallowing fluoride at concentrations found in our water has no significant effect on reducing cavities. Concentrations of fluoride found in water are simply insufficient to provide any significant topical benefit. At current concentrations, fluoridated water is causing many health problems in susceptible individuals, especially young children. The most common form of fluoride in drinking water is hydrofluorosilicic acid, classified as a Class 1 hazardous waste. This acid is a by-product of emissions from the phosphate fertilizer industry. A solution containing 23% hydrofluorosilicic acid is extracted for the phosphate industry and is contaminated with arsenic, lead, mercury, chromium, cadmium, hydrogen fluoride and barium. An analysis of hydrofluorosilicic acid in Alberta found the following heavy metal concentrations:

Arsenic	57	mg/L
Lead	3	mg/L
Mercury	0.01	mg/L
Chromium	0.1	mg/L

Certain members of society develop teeth, bone, skin, thyroid, reproductive, gastro-intestinal, neurological and pancreatic problems. All are associated with fluorides in drinking water.

Since the advent of water fluoridation, municipalities have been an important customer for these industries by buying fluoride-containing solutions to add to drinking water. Dwindling supplies of fluorosilicates used in water fluoridation means that the replacement product could be shipped to us from China.

As quoted by Dr. Hirzy (Senior Vice-President of EPA Headquarters Union:

**“If this stuff gets into the air, it’s a pollutant**

**If it gets into the river, it’s a pollutant**

**If it gets into the lake, it’s a pollutant**

**BUT**

**If it goes right straight into your drinking water system, it’s not a pollutant**

Essentially, we are removing pollution from the air and putting it into our water and adding toxic chemicals to our water, is this beneficial, legal or ethical? You decide.....

(excerpts taken from Mercola Inc)
